- **Food:** ***Campers will be provided snacks and water or juice during breaks throughout the day.*** Water bottles are also highly encouraged (we have filling stations around the building). If your child has a special diet, feel free to pack a snack for him/her to enjoy during snack time. Please be considerate of any food allergies other campers may have (No peanut products!). Students will not be allowed to share food with other campers. Please email cwilliams@asf.net if you have questions or concerns about this.
- **Medications:** Any medication brought to camp must be in the original container and accompanied by a complete description of instructions (Please note this in the Parent Waiver).
- **Personal Items:** Any personal items brought to camp are the responsibility of your child. Camp Shakespeare Jr. staff assumes no responsibility for these items. Please make sure to label all of your children's items with their name. **Please do not bring any devices** (your child will not need them or have time to use them)!
- **Personal Conduct:** We are proud of the outstanding and positive role models our campers are for one another. If there should be any negative behavior such as use of profanity, bullying, or discourteous behavior to other students or our Staff, then students will be given a warning and parents will be notified as well. If behavior continues after this warning, then students can and will be dismissed with no refund.
- **Attendance:** Theatre is an ENSEMBLE effort... that means that everyone has to work together to make the final performance the best that it can be. It is VERY important that each camper be present every day. We understand emergencies come up, but if that is the case, please call us ASAP and let us know if you will be late, not coming, or need to leave early.

Final Performance
